FARMERS INSTITUTE WILL BE ONE OF THE COUNTY'S BIG MEET

Gathering of Farmers at Minerva High School Saturday Afternoon and Evening Promises to Be One of Greatest Meetings Held Recently.

Plans are now all complete for the great Farmers' Institute to be held at the Minerva High School Saturday afternoon and evening, according to announcement which reached Maysville this morning from Prof. John Hurst Adams, principal of the Minerva school and active head of the Minerva Community Club, under whose auspices the institute is being held.

Some of the state's greatest leaders in agriculture improvement will be on the program and the leader of Home Economics work will also be on the program for the benefit of the farmers wives and daughter, who are also expected to be in attendance.

Besides a splendid program of good talks there will be a musical program which will be worth the time and trouble necessary to attend. The Maysville Boys' Band will be the musical attraction and besides this the music department of the Minerva High School will give a very interesting entertainment.

While the institute is being held especially for the farmers of the Minerva Community Club and Farm Bureau, the farmers of all other parts of the county are extended an invitation and will be given a hearty welcome.

It is understood that large delegations from Dover, Mayslick and other sections of the county will be in attendance.

The address of Geoffrey Morgan will be worth the trouble of any farmer to be present.

MAY OPEN GOVERNMENT STORE HOUSE HERE

A representative of the War Department from the Jeffersonville Barracks was here yesterday in conference with Mayor Russell and others looking to the opening here of a branch Government store where government supplies can be sold at greatly reduced prices. The citizens of this section would welcome such a store.

NOTICE

Owners of Burley Tobacco Co. certificates will present same at the Farmers and Traders Bank, Maysville, Ky., and receive their 100 per cent check.

ELOPE IN AIRPLANE FROM CHICAGO TO WED

Chicago Couple Elope to Jeffersonville to Wed in Airplane Express.

Paris, Ky., November 20.—A message from the clouds received here Wednesday night announced the elopement of Harry Gelhardt and Miss Josephine Montanye, both of Chicago.

While a Negro man living in Ruckerville was on his way home Wednesday night he heard a peculiar sound in the air and looking up beheld a large airplane only a few hundred feet up. Almost at the same instance a package fell at his feet, and opening it he found a letter addressed to Mrs. C. A. Allard, of Lexington.

The colored man returned to town and delivered the letter to Chief of Police Fred Link, who opened the envelope. The letter enclosed announced that the young lady, who signed herself "your loving niece," was eloping to Jeffersonville, Ind., to be married, and that on their return trip they would stop at Lexington.

The pilot of the airplane must have mistaken the lights of Paris for those of Lexington, and dropped the missive by mistake. Chief Link placed a stamp upon the envelope and mailed it to Lexington this morning.

ANOTHER WIFE SEEKS DIVORCE

In the Mason Circuit Court Mrs. Nellie Mains has filed suit for a divorce from her husband, Walter Mains. They were married in this county in 1912 and the wife, in her petition, charges cruel and inhuman treatment. She asks for the custody of their two children aged 3 and 8 years and for \$1000 alimony.

INTEREST SHOWN IN BIG MAYSICK FESTIVAL

Much interest is being shown in the big Festival to be given at the Mayslick High School on Thanksgiving Day. The committee in charge of the big meeting is now drawing up quite an interesting program which will be announced in its detail within a few days.

MOVES TO MAYSVILLE FOR THE WINTER

Mr. T. P. Bullock and family have moved to Maysville from their farm in the Orangeburg neighborhood to spend the winter here. They have occupied their residence in East Second street, Sixth ward.

Mrs. Alice Dora has returned home after a very pleasant vacation of four weeks with her sister, Mrs. Lucinda Galbreath at Bradford, Ky.

Geo. Berry is Charged With Being Father of His Own Daughter's Child

Most Serious of All Crimes Charged Against Dover Man Who Is Now in Jail Being Implicated in Daniels Girl Case.

In this age it seems hardly possible that any man could be guilty of the terrible crime that will face George Berry, of Dover, when he appears before the Mason County Grand Jury on the first Monday in December when that jury meets for the December term. Berry has been charged by his own daughter with being the father of a child born to her on November 5 and which died after only a few days.

Joseph Higgins, young farmer of the Ripley, Ohio, neighborhood, who married Berry's twenty-year-old daughter last May and to whom she made the confession that the child born to her on November 5th, was her own father's child, was in Maysville Thursday and held a consultation with County Attorney W. H. Rees in regard to the case.

This story has been afloat in the Dover and Ripley neighborhoods for several weeks or since the child was born but the matter had not been brought to the attention of the county officials until Thursday when the young husband called on County Attorney Rees.

Young Higgins furnished the County Attorney with a written statement signed by his wife which will be used when the case is taken before the Grand Jury at its first meeting.

Berry, who is about 50 years of age, is now in the Mason county jail in default of \$2,000 bail being held under a warrant charging him with having illicit relations with Edith Daniels, a fourteen year old Dover girl. He was indicted by the last Grand Jury on this charge and at first insisted on an immediate trial but when he was brought before the court he asked that his case be allowed to go over until the December term for trial and in default of bail in the sum of two thousand dollars, he has been kept in the local jail since that time.

The Western section of Mason county and the northern section of Brown county, Ohio, has not had a case in many years which has shaken the community so much as this most horrible of crimes. This is by far the most terrible crime that has been committed in Mason county in many years past, if Berry is guilty of the charge. The statutory offense is incest and is punishable by confinement in the state penitentiary for not less than two nor more than twenty-one years.

Particulars of the case are lacking and will not probably come to light until the trial of the case as County Attorney Rees has selected to take the case direct to the Grand Jury instead of holding an examining trial as the man against whom the charge is made is now in jail being held on another charge. Should the evidence given the Grand Jury at its meeting warrant the returning of an indictment for incest, it is certain that District Prosecutor Grannis and County Attorney Rees will elect to prosecute under the new indictment.

ELECTRIC PUMP IS PUT IN OPERATION

The electric water pump which was located by the City Water Commission Kenova, W. Va., has now been completely installed and was this morning tested out at the Maysville Water Company's pumping station. The pump worked well and will be started pumping into the mains this afternoon and will be kept on the job until the new pumps now being manufactured, are installed next month. The Kenova pump throws 500 gallons of water into the city mains a minute and will keep the city well supplied.

MISS MAY WOOD DIES AFTER LONG ILLNESS

Miss May Wood, daughter of the late David Wood, died at her home in Forest avenue at 3:30 o'clock this morning after a long illness. She is survived by four brothers, Messrs. D. K. W. A., and H. B. Wood, of this city and N. S. Wood of St. Louis, Mo.

POPULAR RESTAURANT CHANGES HANDS TODAY

Mr. James Frost and Others Purchase Emmitt Restaurant and Will Take Charge at Once—One of City's Most Popular Eating Houses.

Mr. James Frost, who for a number of years was manager of the Martin & Hall restaurant in West Second street near the Washington and Pastime Theaters, this afternoon closed a deal whereby he and his associates purchased the popular restaurant from Mr. D. A. Emmitt and Son, who have operated it for the past few years.

Mr. Frost will take charge of the restaurant the first of next week and will continue to operate it along the same plans under which it is now being operated.

This is one of the most popular eating houses in the city of Maysville and has a very large patronage because of the splendid service rendered there. Mr. Frost is one of the city's most likable young men and understands the restaurant business thoroughly. He is not only a clever fellow experienced in the line of business which he is undertaking but he is one of the city's finest young men and has hundreds of friends who will congratulate him upon his entering business and who join with the Public Ledger in wishing him much success feeling all the time that their wish will come true because they know the man. There is no young man in Maysville who more deserves to succeed.

MRS. JOSEPHINE NOYES ROGERS DEAD

Mrs. Josephine Noyes Rogers, aged 74, died at her apartments at the Hill House this morning at 6:30 o'clock after an illness of little more than a week of heart trouble. She was twice married, her first husband, Mr. J. B. Noyes, having died several years ago. She was married the second time to Mr. W. W. Rogers, of Ashland, some five years ago and he survives. She is survived by one daughter, Mrs. A. S. Conley, of Ashland.

Funeral will be from the Presbyterian church, Sunday afternoon at 2 o'clock with services by the pastor, Dr. John Barbour and burial will be made in the Maysville cemetery.

GOLDEN WEDDING TO BE CELEBRATED IN LEXINGTON

Mr. and Mrs. Henry Lloyd Will Enter- tain in Honor of Fiftieth Wedding Anniversary of Dr. and Mrs. Frazee.

The Lexington Herald, in its society column, says:

Mr. and Mrs. Henry Lloyd will entertain on Saturday at their home in Elsmere Park with a luncheon to celebrate a double golden wedding, the fiftieth wedding anniversary of Dr. and Mrs. J. M. Frazee of Maysville, the parents of Mrs. Lloyd, and Mr. and Mrs. D. C. Frazee of this city, her uncle and aunt. Mrs. J. M. Frazee was before her marriage Miss Eliza Jennings Lusk of Lancaster, and Mrs. D. C. Frazee was Miss Maria Lee of Mason county.

The guests will number about thirty of the family connection and the celebration will be a very happy affair, as the guests of honor are quite attractive and very popular. Dr. and Mrs. Frazee and their other daughter, Mrs. Anna Hall of Maysville, will come from Maysville on Friday to be the guests of Mr. and Mrs. Lloyd until after the event, Dr. Frazee remaining for a visit of several days longer.

COOK CAR OF FIRST BURNS; ONE IS BADLY INJURED

Augusta, Ky., November 21.—As the supply train of the 1st Division was passing through here Thursday morning, the cook car caught fire when opposite the depot and ran two blocks before the engineer could stop it. The whole car was burning inside, and First Sergeant Swanson jumped from the car at a bad place on the street and was injured in the back, his chin cut and otherwise bruised.

Cook Fairchild was badly burned, most of his clothes being burned off. Two others were in the car, but escaped with slight injuries. The train was en route from the coal fields near Charleston, W. Va., to Camp Taylor.

EXPENSES OF CITY CANDIDATES LIGHT, THE REPORTS SHOW

Reports Being Filed With County Clerk by Candidates Show That It Costs Little to Make Race For Councilman and School Board Member.

It costs little to make the race for City Councilman and member of the City Board of Education in Maysville in an off year but the candidates cannot afford to spend much money in these races as the salary attached to these positions are so small that it would take quite a while for a candidate to meet his expenses.

It develops that under the state laws candidates have thirty days after the election to file their expense accounts although it was at first thought that 15 days was the limit. Acting on the supposition that these sworn statements had to be filed within fifteen days, quite a number of candidates have filed their reports. Others who consulted lawyers about the time limit have not yet filed their accounts.

Those candidates who have filed their accounts thus far and the expense to which they were put in the races follow:

W. R. Smith, \$10.50; C. B. Davis, nothing; J. A. Dodson \$3.75; Chris T. Brown, \$1.75; John W. Ellet, nothing; William Wells \$12.50; Ross Owens, \$2; Chas. F. Reed, nothing; F. G. Hunsicker, \$7; Sherman Arn \$27.50; Carl Daulton, \$20.

Members of the Board of Education who are candidates eluded together in the expense of their campaign and filed but one statement that each of the candidates had spent \$2.43 in the campaign.

The salary of a councilman is \$3 per meeting while the members of the School Board serve for the good of the community and without compensation.

PLANE WILL BE SHIPPED TO DAYTON IMMEDIATELY

The large biplane which was wrecked at the Spha Brick Company's landing field Thursday morning has been dismantled and will be shipped immediately back to Dayton, Ohio, which is the home of the company which owns and operates several of such machines over the country.

HUYS HOME

Mr. and Mrs. Leander H. Veale have purchased of Hon. T. D. Slatery his two-story frame residence in West Second street near Wall and will move to it in the near future.

CONSOLIDATED SCHOOL SENTIMENT IS GROWING

Plan Tried in Mason and Fayette Proves Success Supervisor Says.

Proving that the sentiment for consolidated schools in Kentucky is growing with leaps and bounds, J. Virgil Chapman, rural school supervisor, at Frankfort Thursday stated that the consolidated schools now have 25 motor-driven vehicles with which to carry the children to school. There was but one such vehicle at the beginning of this year.

Local taxes for operating consolidated schools have been voted in 28 local districts and it is likely that three times as many districts will have local tax for consolidated schools. Having tried out the system in Mason and Fayette counties, Chapman says that it has been a complete success and other counties in the state are beginning to adopt the consolidated school system.

He will go to Williamstown today to address the patrons of the public schools of that county on this question.

FUNERAL ASTUR- DAY AFTERNOON

The funeral of Charles Hooper will be held from the residence just below the city Saturday afternoon at 2:30 o'clock with services by Rev. A. F. Stahl, pastor of the Christian church, and burial will be made in the Maysville cemetery.

OHIO TOBACCO BRINGS LARGE PRICE

WINDOW GLASS SPECTACLES NOT DANGEROUS

If you had your choice between giving up everything you have in this world and losing your eyesight, I am sure you would keep your eyes. Trouble is we never think of these things until we're brought face to face with them. Many people buy spectacles from peddlers that do more harm than window glass spectacles. If you value your eyes, consult only a reliable sight specialist. Come to

SUNDAY SCHOOL LESSON
NOVEMBER 23, 1919.

Topic: Intolerance Rebuked.
Mark 9:33-42; 10:13-16; Luke 9:45-50.

REV. J. J. DICKEY

In this lesson we learn God's standard of true greatness. The disciples on the way had been contending among themselves who should hold the highest office in the government which they supposed Jesus was about to establish. Jesus asked them what their conversation had been. He said "If any man desire to be great, the same shall be last of all, and servant of all." In all of his teaching Jesus took the position that true greatness consisted in service to mankind. This involves unselfishness. This strikes at the roots of human nature; for man is naturally selfish. Therefore to be really great a man must first become unselfish.

Here comes in the necessity for the new birth. There can be no real greatness in God's sight until a man is born again. This experience brings a man to the condition of a little child in teachableness, in meekness, in faith. Then God can make a man a blessing to the world. Again the lesson of today teaches us to be tolerant of others who are sincerely doing God's work, in his name. We have much use for this among Christian workers. We have various organizations working in uplift of humanity. John Wesley said: "I wish to form a league of offensive and defensive with every soldier of Jesus Christ." No one church or society has all the truth; none perhaps that does not have some truth. We need content only for the great essentials. "Repentance toward God and faith in the Lord Jesus Christ." Much error may be mixed with these, but these bring salvation to the soul. Deliverance from the guilt and power of sin, and constitute a man to Bible Christian. Again our lesson teaches that we are not to punish wrong doers, but that is to be left to God. "Vengeance is mine, I will repay saith the Lord."

Jesus with his disciples was on the way to Jerusalem. He was passing through Samaria. He sent James and John ahead to engage lodging. The city declined to entertain them because they were Jews. John and James proposed to call fire from heaven to destroy them as Elijah did those who mocked him. But Jesus rebuked them saying, "Ye know not what manner of spirit ye are of, for the son of man is not come to destroy men's lives, but to save them."

God punishes sin, but gives the sinner opportunity to repent, first. It is not man's province to punish; God reserves that right to himself. The Christian to forbear. He must suffer wrong, but God will abundantly reward him for all he is called upon to bear. Jesus "for the joy that was set before him endured the cross and despised the shame but has now sat down with the majesty on high." And so will he reward us if we suffer meekly, uncomplainingly, patiently.

Again we are taught in this lesson not to judge others. This means we are not to condemn others where we have not all the facts in the case before. This is a common sin and should be avoided. We should have all the facts in the case before us before we form or express our opinion of the guilt of one who is accused "Love thinketh no evil."

Let us not commit this great sin and thereby injure others as well as do ourselves incalculable injury.

HER DAUGHTER WAS SAVED FROM OPERATION

Mrs. Wells of Petersburg Tells How.

Petersburg, Va.—"For two years my daughter suffered from a weakness and pains in her right side; at times she was so bad she could not do any work. For two years she was attended by the best physicians here, and both agreed that she would have to be operated on. I suggested Lydia E. Pinkham's Vegetable Compound, and at first she refused to take it, but finally consented. From the very beginning it helped her, and now she is entirely well, and telling everybody how much good it has done her."

Mrs. W. D. Wells, 228 North Adams Street, Petersburg, Va.

If every girl who suffers as Miss Wells did, or from irregularities, painful periods, headache, stomach, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering.

For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years' experience is at your service.

WADSWORTH WOULD HONOR GENERALS

Washington, November 21.—(Special correspondence) — Chairman Wadsworth of the Senate Military Affairs Committee has introduced a bill giving the permanent rank of lieutenant general to Gen. March, Liggett, and Bullard. The two latter officers bore that title in France but resumed their former grade of major general when they returned to this country. The promotion is intended as a fitting recognition of their meritorious service in command of army corps in the war. In the case of Gen. March the bill is in effect a compromise. At the time Gen. Pershing was made a permanent general, the President requested that the same honor be bestowed on March, but Congress thought otherwise. He is now an acting general as Chief of Staff, but saw no service at the front, and for that reason Congress would not sanction his continuance in his present grade.

Would Impeach President

Congressman Martin B. Madden of Illinois has received a petition signed by citizens of Chicago asking for the impeachment of the President on the ground that without the consent of Congress he has unlawfully commanded our troops to wage war in Russia and Siberia. It is remarked about the Capitol that the tone of the resolution correctly expresses the growing feeling throughout the country. Not only does the ordering of our Army against peoples with whom we have not declared war and have no quarrel constitute an impeachable offense, but it is declared that other acts of Mr. Wilson, such as his acceptance of a half million dollars' worth of gifts from foreign potentates, his public declaration that the league of nations is "greater than the government," his repeated interference with State executives in the administration of their local laws, and phases of his relations with the Senate regarding the peace treaty are equally unconstitutional.

Haus Railroad Strikes

The Senate Interstate Commerce Committee has voted to include in the permanent railroad legislation a provision to penalize strikes of employees. The vote stood fourteen to one, the only voice in opposition being raised by Senator Stanley, Democrat of Kentucky. The exact phraseology of the section has not yet been agreed upon, but it is probable that it will follow closely the language of the Cummins bill, which provided fines and imprisonment for concerted interference with interstate commerce.

Sustains Health Rules

floorings on the sugar shortage have been concluded by the Senate Agricultural Committee. The proposition to lift for the time being the government restrictions on the use of saccharine so as to permit its use as a sugar substitute is opposed, practically unanimously, by the committee. Chemists of the Department of Agriculture have reported that such an expedient would prove injurious to the public health.

MRS. CARRIE BREEZE, Proprietress.

Red Men's hall, is now doing a good business.

Reece Hinton and Ed Hamilton of this place, were on Grassy in Lewis county last week on some special business for Robert Stacy.

Ed Hinton and family and Herbert

Hinton and family of this place are preparing to locate at Head of Grassy in Lewis county to reside.

Isaiah Masters, wife and four small children of Waltz, Rowan county, were visiting Mrs. Masters' parents, A. G. McRoberts and wife here last Sunday.

Jessie Caudill, who was sent to jail from here last September for deserting his wife and children, is now out of the County Jail and seems as happy as a meadow lark.

Hon. W. B. Whitl and wife of McGlone, Carter county, were visiting Rant James and family on Big Run near here last week. Mr. Whitl was formerly State Senator from this district.

Mrs. Amanda Burns, age 60, wife of James Burns of this place, fell last week and broke her left arm just below the elbow, and is now under the care of Dr. Jesse C. Plummer's Landing. Her husband who is 64 years of age, suffered a stroke of paralysis and is now in a very critical condition.

As was freely predicted by the writer here for some time past, the Democratic vote was the smallest ever cast at this place in any election. There were over 25 Democrats that either crossed their ticket or refused

to vote at all. There is a great dissatisfaction among the Democrat voters in the rural districts, not caused by any actions of our National

officers, but rather the misdeeds of our little officers and political leaders, that has grown from a mere rumbling to a distinct grumbling and a determination to remedy the cause if possible, were to voting against the otherwise great Democratic party. We are of the opinion that Kentucky is in the Republican column to remain for some time; all on account of the arrogant manner and chicanery of most of our little officers. We shall see, for there is a reason.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surface of the ear.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

Although He Performed Many Death Defying Feats, Rodman Law Dies of Tuberculosis.

Rodman Law, professional daredevil, whose death defying "stunts" amazed and thrilled thousands of people, died recently of tuberculosis. During his professional career Law threw dice with death time and again. He leaped from fast moving airplanes at dizzy altitudes, trusting that his parachute function perfectly.

Perhaps his most spectacular feat was his "skyrocket stunt." He caused to be made a giant skyrocket with a special compartment for himself. It was his plan to have himself shot into the air and to make the descent with a parachute. Something was amiss in the construction of the rocket for it failed to gain sufficient altitude and he was seriously injured. He soon recovered and continued his thrilling work.

It is the irony of fate that Law, after surviving many accidents and taking the most desperate chances, should succumb to tuberculosis. His death from the disease lends emphasis to the fact that tuberculosis is the greatest menace the United States faces today. The lurking tuberculosis germs succeeded where the most dangerous of "stunts" failed. Law died in a sanatorium in Greenville, S. C.

The National Tuberculosis Association and its one thousand affiliated organizations have launched upon a nation-wide campaign to reduce the appalling death rate from the disease in the United States. Each year one hundred and fifty thousand people die in this country from tuberculosis. The affiliated organization seek a fund of more than \$6,500,000 to carry on the work through 1920. The money will be raised through the annual December sale of Red Cross Christmas Seals.

SUMMING UP THE EVIDENCE

Many Maysville People Have Been Called As Witnesses.

Week after week has been published the testimony of Maysville people—kidney sufferers—backache victims—people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 50,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Maysville case. A Sorries, lock and gunsmith, W. Second and Wall Sts., gave the following statement in January, 1912: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backaches and when I stooped over, I had trouble in straightening up. Colds settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."

A LASTING EFFECT

On November 14, 1916, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today, as when I gave my former endorsement. I haven't had any trouble with my kidneys in a long time and I believe the cure they gave me will be permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sorries had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

URGES SUPPORT OF THE CHILDREN'S HOME

Morrow Appeals to Kentuckians For Aid in \$300,000 State Campaign.

"The cause of homeless children is without creed," declared Governor-elect Edwin P. Morrow in an open letter to citizens of the state, calling their attention to the needs of the Kentucky Children's Home Society, which is raising \$300,000 to build a farm home for the children in its care.

The letter says in part:

"In September Gov. James D. Black issued a splendid proclamation requesting all citizens to assist in a drive being made by the Kentucky Children's Home Society through the schools of the state for \$300,000, the purpose being to remove this institution from its overcrowded location in the city to a place in the country, where the children might have the fresh air, sunshine, playgrounds and everything that normal children must have in order to develop them into useful citizens. The last week in October was set aside for this drive and while indications are that many schools and communities have reached and exceeded their quota, I am informed that some have not done so, and I wish to supplement the appeal of Governor Black and ask all citizens of Kentucky to help in this most worthy cause."

Today is the last day for filing of suits in the Mason Circuit Court for the December term and as usual Circuit Clerk James B. Key and Deputy Clerk James Howard Key, will be busy listing their papers and making out the docket for the term, which begins the first Monday in December.

Convalescents Build Up On Pepto-Mangan

Increases the Supply of Rich Red Blood—Restores Strength and Vigor

Physicians Recommend It

Sold in Liquid and Tablet Form—The Name "Gude's" the Guide to Genuine Pepto-Mangan

A serious illness such as influenza or other infectious disease always leaves the body with low vitality, lack of strength, and impoverished blood. Gude's Pepto-Mangan aids convalescents to a quick recovery, for it creates a generous supply of rich, red blood and restores the body to its normal, healthy condition.

That's why physicians recommend Pepto-Mangan, for they know that it imparts to the blood the material so sorely needed by weak-run-down systems.

Pale, sallow, thin, easily-exhausted men and women find that Pepto-Mangan builds them up wonderfully. A new supply of rich, red blood is created, which in turn imparts the glow of health to the cheeks, increases the appetite, the eyes sparkle, the entire system takes a new lease on life.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities.

There is but one genuine Pepto-Mangan and that is "Gude's". Ask your druggist for "Gude's" and look for the name "Gude's" on the package, if it is not there it is not Pepto-Mangan.

PRINCE PURCHASES CHRISTMAS SEALS TO AID GREAT FIGHT

Prince of Wales is the First to Purchase Red Cross Christmas Seals in America—Drive Begins December 1.

The first purchaser of the 1919 issue of Red Cross Christmas seals is the Prince of Wales. He bought the seals while in Washington from five year old Adrienne Mayer, "the littlest modern health crusader," recently decorated by General Pershing for attaining a perfect score in the children's health crusade against disease.

The royal visitor was not too busy in his crowded schedule of entertainment and sightseeing to endorse the fight against tuberculosis which the Red Cross Christmas Seal represents.

"Startling facts on public health conditions were shown by the medical examination of millions of men during the war," the Prince said. "These facts have demonstrated clearly the necessity of attacking harder than ever such menaces as tuberculosis. I am sure this world-wide work has the approval of every thoughtful person. The seals really represent the ounce of prevention. I wish the campaign all success."

The Prince promised to use the seals on his personal letters. The Association for the Prevention of Tuberculosis of the District of Columbia is one of the 1000 state and local organizations affiliated with the National Tuberculosis Association. In common with the allied bodies it has its own individual educational and prevention programme which coordinates with the national preventive campaign for 1920. More than 650,000,000 seals must be sold to defray the expense of this nation-wide movement. The ten day sale will begin on December 1.

TONIGHT AT THE WASHINGTON, "COMMON CLAY"

No play in recent years has created the national sensation caused by "Common Clay" the A. H. Woods production which the Shannon Stock Co. will present tonight. "Common Clay" played for an entire year at the Republic Theater, New York. For five months at the Olympic Theater Chicago, for four months in Boston and has been presented with unprecedented success in all the principal theaters in the United States. It is a play with a vital theme and an absorbing story that ought to appeal to every class and condition of playgoers. The heroine of "Common Clay" is Ellen Neal, a young girl born in direst poverty. Her superior intelligence and taste for better things lead her to the pursuit of pleasures that result in her downfall. In the third act occurs the big scene of the play, surpassing in dramatic intensity, the dramatic court room scene of Madame X. Judging from the large advance sale there will be a capacity house tonight to see "Common Clay."

A matinee will be given tomorrow at 2:30 when the comedy, "The Girl and the Crook" will be offered. The matinee prices will be 25 and 35 cents.

If you wish to hear the morning service come at 10:30 sharp, night service at 7 o'clock. A service of song precedes the sermon. Sunday School at 9:30 a. m. J. J. DIKEY, Pastor.

P. T. A. MEETS

The Eastland Parent-Teacher Association held their regular monthly meeting yesterday afternoon. After business was attended to Mrs. Worthington, the president, read a beautiful selection and Rev. J. J. Dickey read of Dorothy Dix's articles entitled, Demosthenes Materna. Refreshments were then served by Misses Wallingford, Yazell, Franklin and Biehl. Next Wednesday at 2 p. m. the Eastland School will entertain with exercises.

GATHERING OF TURKISH TOBACCO BEGINS

The Vanceburg Sun says: The Turkish Tobacco Farms Co. have started in to handling their large crop of Turkish tobacco. This class of tobacco requires altogether different handling than does the Burley kind. They are employing a good sized force of hands and will increase it as soon as their new quarters in the Cox cooper shop are completed.

PEACE RESOLUTIONS WILL BE PRESSED IN DECEMBER

Senate and House Will Unite in Declaring End of War is Plan of Republican Leaders.

Washington, November 20.—Early action on the resolution declaring the state of war with Germany to be at an end was promised today by Republican leaders of the Senate and House.

It is the purpose of Senator Henry Cabot Lodge, of Massachusetts, Republican leader, to bring the resolution to a vote in the Senate in the opening days of the next session, which begins Monday, December 1.

It is believed that a majority for the resolution can be obtained in both Houses, as there is strong sentiment in favor of ending the war without awaiting another six months of debate on the treaty.

Before the resolution is reported to the Senate by the Foreign Relations Committee, however, it will be changed from a concurrent to a joint resolution, so that if passed it will require the signature of the President before becoming effective.

When first proposed the resolution was drafted as a concurrent resolution, that Congress might declare the war to be at an end without any action by the President.

The sentiment now prevailing, however, among Republican Senators is that it should be made a joint resolution, so that the President either may sign it or accept the responsibility of the war by veto.
